Matthew 25:40 "I tell you the truth whatever you did for one of the least of these brothers of mine, you did for me".

- † **As the Christmas season approaches we wish you and your families a blessed time together celebrating the birth of Jesus Christ**
- † **We are looking forward to our family joining us here for Christmas this year blessing us with their presence and will accompany us to do a roof in memory of our son Mike.**

- † We have completed 8 roofs so far spreading out into a new area above Zihuatanejo called Convergencia where the need is as great if not greater than Seis de Enero where most of the roofs in the past have been done.
- † Our mission is to develop relationships through the “roofing ministry” and to plant the seeds that God will water and grow at the “right” time, His perfect timing. We have been blessed beyond measure when our worker/helper couldn’t wait to tell us “me and my family, wife and 3 children are all going to church now and Bible studies as well, once a week. We are taking baptism classes for 4 weeks and then we will be baptized in the New Year”. Many others in the same colonia are going there as well, thank You Lord for this blessing.
- † One of our prayer requests prior to our departure was that we

would be able to leave our car here for further use in this ministry in the years to come. We asked that God would open the door and put someone in our path that could make that happen. The young associate pastor here was able to help us and we now have our Mexican plates and all permits necessary to leave the vehicle here, thank You Lord!!

† Update: family from last year with 14 year-old pregnant girl and 4 siblings.....her little girl was born back in May, mother and child bonding very well under the circumstances, other children settling in with the aunts, uncles and grandmother. The teenage girl is surrogate mom to her brothers with the help of the rest of the family. Thank you for the prayers and support given to this family.

Before

After

This 80 year old couple were very grateful for a roof and they were able to supply 6 workers to help put the roof on. They fed the crew beans and tortillas all they could afford. We provided a Bible and reading glasses. Such a blessing!!

**Thanks so much for your prayers,
Bless you, Andy & Mo**
