March 2016 Newsletter

Matthew 28:19 “Therefore go and make disciples of all nations baptizing them in the name of the Father, the Son and the Holy Spirit and teaching them to obey everything I have commanded you.”

This newsletter contains 2 testimonies, 1 that we will include Spanish and English condensed version written by our helper/worker Filiberto and the other of an American by the name of Joe whose experience helping over the winter was in his words “humbling”.

“I am Filiberto Diaz Garcia. (That’s me on the right in this picture) I am 45 years old and I am a taxi driver. I came home one day and my wife told me there were people helping with putting house roofs. I do not believe her. One day I came back from work and I found a new roof on my house. I met Andy and his Mo. These are wonderful people who have this roof ministry. I now help Andy with putting new roofs. He always says that whatever we do, we do it in the name of Christ. I am so grateful for these wonderful people. They have talked to me and my family about

God. My family has accepted Jesus Christ. I have now accepted Jesus Christ as my savior. I was so blind to all God's blessings. I finally understood why Andy always says thank God and not me. I have now realized God has always helped me with all my problems. I have now seen His wonders. The Holy Spirit has worked on my wife and my children. I am so blessed. I thank God for everything he has done for me. I was blind but now I see."

Mi nombre es Filiberto Diaz García. Tengo 45 años. Soy taxista. Una vez llegue a mi casa y mi esposa me dijo que había personas ayudando a poner techos a las casas. Yo no le creí. Un día cuando regrese de trabajar encontré un techo nuevo en mi casa. No lo podía creer. Conocí a Andy y a su esposa Mau. Ellas son unas personas maravillosas que tienen este ministerio de poner techos en las casas. Ahora ayudo a Andy a poner techos en las casas. El siempre dice que todo lo que hagamos, lo hagamos en el nombre de Jesucristo. Estoy muy agradecido por estas personas maravillosas. Ellos me han enseñado a mi y a mi familia la palabra de Dios. Mi familia ha aceptado a Jesucristo. Ahora he aceptado a Él como mi redentor. Yo estaba ciego a todas las bendiciones de Dios. Finalmente entendí porque Andy siempre dice, "gracias a Dios, pero no a mí." Ahora me he dado cuenta que Dios siempre me ha ayudado con todos mis problemas personales y financieros. Ahora he visto Sus maravillas. El espíritu Santo ha trabajado en mi esposa y en mis hijos. Me siento muy bendecido y me he convertido en un hombre mejor. Quiero compartir el mensaje de Jesús con todos ahora. Doy gracias a Dios por todo lo que ha hecho en mi vida. Andaba perdido, pero ahora se el camino.

(That's me on the right)"Over the past four years I have accompanied Andy to many roofing projects in the hills overlooking Zihuatenejo. I've always felt honored to serve this most needed mission. Never however have I been so humbled as this past week when we roofed the humble home of Andrea in the Las Mesas Colonia. As is typical Andrea and her neighboring ladies offered us lunch at the completion of the job. This lunch was meager in keeping with her means. Andrea insisted on saying the blessing before comida and as she began to recite, the enormity of the blessing that had come upon her was so great that she began to weep. In the presence of six grown men all by this time in tears she proclaimed "Gloria Dios". Amen"

Thank You Lord for allowing us to see the fruit of our labour and thank You for giving us this ministry to work for You. We have completed 30 roofs so far and a few more to be done before coming home.

Love You Lord!!!!

Andy & Mo
